

# Global Geothermal Energy Summit 2011

12th-13th October, Reykjavik, Iceland

## Maximising the Global Expansion of Geothermal Utilisation

### Key Topics Include

The role and potential of geothermal in the global energy mix

Policy, regulatory and legal developments making an impact in the sector

Finance and investment for geothermal expansion

Case study examples from geothermal power production and low temperature facilities

Case study examples of geothermal exploration projects

Enhancing geothermal exploration methods

Maximising the potential of geothermal resources

---

**Discounts Available  
For Group Bookings**

### EVENT SPONSORS

COMPANIES CAN GAIN DIRECT ACCESS TO OUR SENIOR LEVEL AUDIENCE AND HAVE AN INCREASED LEVEL OF VISIBILITY THROUGH BRANDING AND NETWORKING AT THE CONFERENCE. FOR INFORMATION ON AVAILABLE SPONSORSHIP AND COMMERCIAL OPPORTUNITIES CONTACT MAUREEN IGNACIO ON +44 207 981 2501 OR EMAIL [MIGNACIO@ACIEU.NET](mailto:mignacio@acieu.net)

# Global Geothermal Energy Summit 2011

12th-13th October, Reykjavik, Iceland

The **Global Geothermal Energy Summit 2011** is the most up-to-date platform for senior executives from the global geothermal industry and those companies looking to expand in this sector, to meet and discuss the

latest developments and breakthroughs making an impact and driving on this future energy potential.

**Global Geothermal Energy Summit 2011** will be looking at the potential of geothermal as a future resource of from which its utilisation will provide, power and heating from a readily accessible source. The event will provide expertise and best practise techniques from industry leaders including project updates, investment activity, exploration expectations and case studies on global geothermal projects.

The two day conference will comprise a series of informative formal presentations from senior industry executives and experts, panel discussions encouraging information exchange between you and your peers and excellent networking opportunities allowing you to maximise the productivity of your two days at the event.

## Key topics of discussion include:

- The role of geothermal in the global energy mix
- Policy, regulatory and legal developments making an impact
- Finance and investment for geothermal expansion
- Case study examples from leading geothermal power and low temperature facilities
- Maximising the potential of geothermal resources
- Panel discussions on overcoming the major barriers to growth
- Case studies on geothermal exploration projects
- Enhancing geothermal exploration methods

## WHO WILL ATTEND?

Senior executives from: Geothermal developers, utilities companies, municipalities and project stakeholders, technology providers, drilling companies, consultants in the energy sector, research organisations, investment companies, energy analysts and regulators.

## COMMERCIAL OPPORTUNITIES

Gain direct access to our senior level audience through enhanced visibility and exposure to attract new business and forge lasting commercial relationships. A wide range of opportunities are available, all of which can be finely tuned to match your exact requirements.

For information on available sponsorship and commercial opportunities contact:

**Maureen Ignacio**  
+44 (0)20 7891 2501  
Email: [mignacio@acieu.net](mailto:mignacio@acieu.net)

## SPEAKING OPPORTUNITIES

Join our team of experts from the industry and present your knowledge to the senior level participants.

For more knowledge on speaking opportunities contact:

**Lee Whyman, Conference Manager**  
+44 (0)20 7981 2507  
Email: [lwhyman@acieu.net](mailto:lwhyman@acieu.net)

## 2011 Event Testimonials:

*"Well organised conference, good attendance, interesting presentations"*

**SGS Oil, Gas & Chemicals Services.**

*"Good and positive experience, I hope for repeat"*  
**Lanxess**

# Maximising the Global Expansion of Geothermal Energy Utilisation

## DAY ONE: Wednesday 12<sup>th</sup> Oct 2011

08.00	<b>Registration and Coffee</b>
09.00	<b>CHAIRMAN'S WELCOME ADDRESS</b>
09.15	<b>SESSION ONE</b>
	<b>Role of Geothermal in the Global Energy Mix</b>
	<ul style="list-style-type: none"> <li>Raising the profile of geothermal energy and its influence in the global energy market</li> <li>Detailed insight into key markets where greatest expansion is forecast</li> </ul>
	Alexander Richter, Director, <b>CanGEA</b>
10.30	<b>CONFERENCE PRESENTATION</b>
	<b>Policy, Regulatory &amp; Legal Developments</b>
	<ul style="list-style-type: none"> <li>Recent &amp; future developments in international &amp; regional policy</li> <li>The role of national governments in the expansion of geothermal energy utilisation</li> <li>Regulatory &amp; legal considerations when starting a project</li> </ul>
11.15	<b>Morning Refreshments</b>
11.45	<b>CONFERENCE PRESENTATION</b>
	<b>Finance &amp; Investment for Geothermal Expansion</b>
	<ul style="list-style-type: none"> <li>Securing project finance: what are investors looking for when considering viability?</li> <li>Risk guarantee schemes &amp; assessments when developing a new project</li> <li>Strategies to help to reduce CAPEX</li> </ul>
12.30	<b>Lunch</b>
13.45	<b>CONFERENCE PRESENTATION</b>
	<b>Life and Energy in Central &amp; South-East European Countries</b>
	<ul style="list-style-type: none"> <li>The hope of geothermal power in this region</li> <li>The exploration process in this geological region</li> <li>Complex, multicascade utilisation of geothermal power</li> <li>The "Smart City" concept for this region based on local energy generation</li> <li>Environmental &amp; ecological impacts existing and possible solution with geothermal power</li> </ul>
	Gyorgy Horucz, <b>Independent Geothermal Expert</b>
14.35	<b>SESSION TWO</b>
	<b>Geothermal Power Production: Case Study Examples</b>
	Hear two case study examples from leading geothermal electricity production facilities.
	<ul style="list-style-type: none"> <li>The geothermal power projects Soultz-sous-Forêts and Bruchsal in the Upper Rhine Valley</li> </ul>
	Pascal Schlagermann, Project manager-Research & Innovation, <b>EnBW Energie</b>
	Albert Albertsson, Deputy CEO, <b>HS ORKA HF</b>
15.50	<b>Afternoon Refreshments</b>
16.20	<b>SESSION THREE</b>
	<b>Low Temperature Geothermal: Case Study Examples</b>
	Two case study examples from leading low temperature facilities
	<ul style="list-style-type: none"> <li>Direct heat and heat pumping facilities</li> <li>Space and district heating plants</li> <li>Agricultural application facilities</li> </ul>
17.35	<b>CHARMAN'S SUMMATION</b>
17.50	<b>Close of Day One</b>

## DAY TWO: Thursday 13<sup>th</sup> Oct 2011

08.30	<b>Registration and Coffee</b>
09.00	<b>CHAIRMAN'S OPENING ADDRESS</b>
09.15	<b>SESSION FOUR</b>
	<b>Maximising the Potential of Geothermal Resources</b>
	<ul style="list-style-type: none"> <li>Examining the different uses of geothermal fluids at different temperatures</li> <li>Electricity production using binary plant facilities</li> <li>Direct heat utilisation and the future of GHSP</li> <li>Necessary improvements in infrastructure to secure transmission</li> </ul>
11.05	<b>Morning Refreshments</b>
11.35	<b>PANEL DISCUSSION</b>
	<b>Overcoming the Barriers to Growth</b>
	<ul style="list-style-type: none"> <li>Building successful partnerships between developers &amp; municipalities</li> <li>Environmental &amp; social concerns</li> <li>Improving research, development and demonstration resources</li> </ul>
12.35	<b>Lunch</b>
14.00	<b>SESSION FIVE</b>
	<b>Geothermal Exploration Projects: Case Study Examples</b>
	Hear two case study examples from leading geothermal exploration projects.
	Masinde Simiyu, Managing Director & CEO, <b>Geothermal Development Company</b>
	Padraig Hanly, Managing Director, <b>GT Energy</b>
15.15	<b>CONFERENCE PRESENTATION</b>
	<b>Enhancing Geothermal Exploration Methods</b>
	<ul style="list-style-type: none"> <li>An overview of the current effective methods of finding prospective geothermal areas</li> <li>Reducing the cost of geothermal exploration</li> <li>Cutting-edge developments in exploration techniques</li> <li>Interpreting data to identify geothermal zones faster</li> </ul>
16.00	<b>CHAIRMAN'S SUMMATION</b>
16.15	<b>End of Conference</b>

# Global Geothermal Energy Summit 2011

12th-13th October, Reykjavik, Iceland

ACI

## 5 EASY WAYS TO REGISTER

Call: Justyna Korfanty  
Tel: + 44 (0)20 7981 2503  
Fax: +44 (0)20 7593 0071

Web: <http://www.acius.net>  
Mail: ACI Europe, 5/13 Great Suffolk Street, London, SE1 0NS  
Email: [jkorfanty@acieu.net](mailto:jkorfanty@acieu.net)

## TERMS AND CONDITIONS

### How to Register

Registrations must be received in writing or electronically at our secure web site. Please complete and mail or fax a copy of the registration form with a cheque or credit card number. Fee includes program materials, networking luncheon and refreshments.

### Payment

Payment must be received within five business days of returning the signed contract. After receiving payment a VAT receipt will be issued. If you do not receive a letter outlining details two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

**Discounts are available for multiple/group bookings. Please call +44 20 7981 2507 for more information**

### Cancellations

Substitutions are welcome up to 24 hours prior to the event. Cancellations must be received in writing no less than 3 weeks prior to the start of the conference; a full credit voucher towards a future ACI conference will be issued. Any cancellation received less than 3 weeks prior to the start of the event shall be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone this conference, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.

### About ACI

ACI, a UK owned company, have been running successful conferences for the last 15 years in the USA. Headquartered in Chicago with offices all around the States, they run forums in varied fields and are market leaders in healthcare business conferences. Opening their European head office at the end of 2005, they have expanded rapidly and are launching a series of events covering the maritime, energy, oil and gas industries.

### Venue:

Reykjavik, Iceland

The cost of accommodation is not included in the event fee. Preferential rates will be arranged with or near the event venue, and all confirmed delegates will be given details of how to book accommodation at this rate in due course.

### Prices and Payment Information

Conference (Includes Documentation Packet)  
Documentation Packet

**12th – 13th October 2011**  
Copies of all conference proceedings

**£1395 +VAT**  
£395 + £25 p&p

### Documentation Packet Available

You can purchase the **Global Geothermal Energy Summit 2011** papers at just £395. Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting. This important manual will be a source of invaluable reference for the future.

### Discounted Registrations

Members and customers of all supporting organisations are entitled to a discount off their conference package.

For more information please call +44 20 7981 2503.
